

# **SAFEGUARDING AND CHILD/VULNERABLE ADULT PROTECTION POLICY**

CONNECT INSTITUTE has a statutory and moral duty to ensure that it functions with a view to safeguarding and promoting the welfare of children/young people and vulnerable adults receiving education and training provided by and on behalf of CONNECT INSTITUTE. CONNECT INSTITUTE's statutory and moral duty also includes the view to safeguarding and promoting the welfare of children/young people and vulnerable adults engaging in any activity organised directly by or officially representing CONNECT INSTITUTE including those formally sub-contracted to be facilitated by any other individual or organisation.

Throughout these policies and procedures, reference is made to "children and young people". This term is used to mean "those under the age of 18".

It is also recognised that some adults are vulnerable to abuse. Accordingly, this policy document also applies to allegations of abuse and the protection of vulnerable adults. Guidance on who is a 'vulnerable adult' is taken from 'No Secrets' (Department of Health 2000), which defines vulnerable adults as: 'those adults who are or may be in need of community care services by reason of mental or other disability, age or illnesses.

## **1. DEFINING VULNERABLE ADULTS AND DEFINING ABUSE**

1.1. The definition of vulnerable adults includes (but is not exclusive to) individuals with any of the following:

- Learning Difficulties
- Physical Impairments
- Sensory Impairments
- Mental Health Needs
- Age Related frailty
- Dementia
- Brain Injuries
- Drug or Alcohol Problems

1.2. CONNECT INSTITUTE will refer concerns that a child, young person or vulnerable adult might be at risk of significant harm to the City Council's Department of Children and Young People's Services, the City Council Adult Social Care Service, the police or in cases of radicalisation to the Channel Scheme as appropriate.

1.3. Given the distance learning provisions of CONNECT INSTITUTE, any referral will be to the local City Council of the at-risk individual as stipulated on their registration documentation.

1.4. The Director, and any staff employed by, or sub-contracted by CONNECT INSTITUTE and working with children/young people and vulnerable adults will receive training adequate to familiarise them with child/vulnerable adult protection issues and their responsibilities and CONNECT INSTITUTE's procedures and policies, with refresher training at least every three years.

1.5. The designated person with special responsibility for protection issues is the Centre Director.

1.6. CONNECT INSTITUTE recognises the following as definitions of abuse:

1.6.1. **Physical abuse** may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning or otherwise causing physical harm. Physical injury may occur as a result of injury inflicted by a family member, including a brother or sister, or by another person, or an injury sustained accidentally but as a result of neglect. Physical harm may also be caused when a parent or carer feigns the symptoms of, or deliberately causes ill health to a child whom they are looking after. This situation is commonly described using terms such as fabricated or induced illness by proxy, or Munchausen syndrome by proxy. Bullying can also be a form of physical and emotional abuse.

1.6.2. **Psychological/Emotional abuse** is the persistent emotional ill-treatment of a person such as to cause severe and persistent adverse effects on him or her emotional development. It may involve conveying to that child or person that they are worthless or unloved, inadequate or valued only in so far as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on the child or person concerned. It may involve causing that child or person to feel frightened or in danger, or exploitation or corruption. Emotional and other forms of abuse may occur as a result of domestic violence. Some level of emotional abuse is involved in all types of ill-treatment or abuse, though it may occur alone.

1.6.3. **Sexual abuse** involves forcing or enticing a child or vulnerable adult to take part in sexual activities, whether or not they are aware of what is happening. The activities may involve physical contact, including penetrative or non-penetrative acts. They may include non-contact activity such as involving children or vulnerable adults in looking at, or in the production of, pornographic material or watching sexual activities, or encouraging them to behave in sexually inappropriate ways. Sexual abuse may also take place through the inappropriate use of cameras and phone images.

1.6.4. **Neglect** is the persistent failure to meet a child or vulnerable adult's basic physical and/or psychological need, likely to result in the serious impairment of his or her health or development. It may involve a parent or carer failing to provide adequate food, shelter and clothing, or the failure to ensure access to appropriate medical care or treatment. It may also involve the neglect of basic emotional needs.

1.7. In respect to vulnerable adults, the local City and County Council Guidelines identify seven forms of abuse. In addition to the four above they also identify:

1.7.1. **Financial abuse** is defined as the misappropriation of money or assets; transactions to which the person could not consent, or which were invalidated by intimidation or deception; or, the misuse of assets. Examples include misuse of benefits, denying access to money, not spending allowances on the individual, and unreasonable restriction on a person's right to control over their lives to the best of their ability.

1.7.2. **Discriminatory abuse** is defined as any form of abuse based on discrimination because of a person's race, culture, belief, gender, age, disability, sexual orientation, etc.

1.7.3. **Institutional abuse** is defined as repeated incidents of poor professional practice or neglect, and inflexible services based on the needs of the providers rather than the person requiring the service.

1.8. In respect of safeguarding individuals from radicalisation, CONNECT INSTITUTE works to the Prevent element of the Government's Counter Terrorism Strategy, and where deemed appropriate seeks external support for learners through referrals to the Channel Programme. This programme aims to work with the individual to address their specific vulnerabilities, prevent them becoming further radicalised and possibly entering the criminal justice system because of their actions. It is recognised that radicalisation can occur to an individual from any section of society and is not particular to any racial, ethnic or social group. It is further recognised that in many instances the process of radicalisation is essentially one of grooming by others.

## 2. RESPONSIBILITY FOR CHILD PROTECTION/ VULNERABLE ADULTS

2.1. The designated person with responsibility for child/vulnerable adult protection issues is the Centre Director.
